Facts of the Case

The complainant reports that irregular fund movements were flagged in account **ACCT-FX-1042**, held in the name of a trading intermediary linked to **BlueRiver Logistics**. Bank compliance systems detected three high-value transfers between 10 and 14 July 2026 that did not correspond to any verified shipment or invoice on record.

On 14 July 2026, a bank field-verification officer observed a meeting at **Sector 17 Market** between a man identified as **Aarav Kulkarni** and an unidentified second individual, during which an envelope of documents was exchanged near a tea stall by Gate 3. The complainant states that Kulkarni is listed as an authorized signatory on transactions routed through ACCT-FX-1042 on behalf of BlueRiver Logistics.

Contact number on file for Kulkarni: **+91-90212-55841**.

The complainant requests investigation into possible diversion of consignment-linked funds and identification of all parties connected to the account and the Sector 17 Market meeting.
